We Just Come to Work Here, We Don't Come to Die, Anne Feeney:

Union Maid, Pete Seeger

Solidarity forever, Pete Seeger

Solidarity forever

Solidarity forever

Solidarity forever

For the union makes us strong

When the union's inspiration
Through the workers' blood shall run
There can be no power greater
Anywhere beneath the sun
Yet what force on earth is weaker
Than the feeble strength of one?
But the union makes us strong

Solidarity forever

Solidarity forever

Solidarity forever

For the union makes us strong

It is we who plowed the prairies
Built the cities where they trade
Dug the mines and built the workshops
Endless miles of railroad laid
Now we stand outcast and starving

Mid the wonders we have made
But the union makes us strong

Solidarity forever
Solidarity forever
Solidarity forever
For the union makes us strong

They have taken untold millions
That they never toiled to earn
But without our brain and muscle
Not a single wheel can turn
We can break their haughty power
Gain our freedom when we learn
That the union makes us strong

Solidarity forever
Solidarity forever
Solidarity forever
For the union makes us strong

In our hands is placed a power
Greater than their hoarded gold
Greater than the might of atoms
Magnified a thousand-fold
We can bring to birth a new world
From the ashes of the old
For the union makes us strong

Solidarity forever
Solidarity forever
Solidarity forever
For the union makes us strong

Our People Gonna Rise, Pat Humphries/ Sandy Opatow

Our people gonna rise
Our people gonna rise
Listen to our cries through the pain & lies

Our people gonna rise

Our people gonna sing
Our people gonna sing
In spite of everything, hear our freedom ring
Our people gonna sing

Our people gonna fight
Our people gonna fight
For what we know is right, we'll march into the night
Our people gonna fight

Our people gonna grieve
Our people gonna grieve
Whatever you believe, we have the right to breathe
Our people gonna grieve

Our people gonna pray
Our people gonna pray
Try to take our rights away, see you on election day
Our people gonna pray

Our people gonna rise
Our people gonna rise
Listen to our cries through the pain & lies
Our people gonna rise

Black Uhuru Solidarity

What's the matter people?

Solidarity, Solidarity

Ev'rybody wants the same thing, don't they ?
Ev'rybody wants a happy end
They wanna see the game on saturday
They wanna be somebody's friend
Ev'rybody wanna work for a living

Ev'rybody wants their children warm
Ev'rybody wants to be forgiven
They want a shelter from the storm
Look at me, I ain't your enemy
We walk on common ground
We don't need to fight each other
What we need, what we need

Solidarity, Solidarity

Solidarity, Solidarity

Nobody likes to ask for money
Nobody likes to play the clown
Nobody likes to wait in a long line
Nobody likes being pushed around
Ev'rybody want their family protected
They wanna express themselves
Ev'rybody want to live forever
Look at me, I ain't your enemy
Don't believe ev'rything you hear
This is no time to fight each other
What we need, what we need
Solidarity, Solidarty

Solidarity

Ev'rybody wants the same thing, don't they ?
Ev'rybody wants a happy end
They wanna see the game on saturday
They wanna be somebody's friend

Ev'rybody wants the same thing, don't they ?
Ev'rybody wants a happy end
They wanna see the game on saturday
They wanna be somebody's friend
Ev'rybody wanna work for a living
They want to keep their children warm
Ev'rybody just wants to be forgiven
They want a shelter from the storm

What we need
What we need
