Closing Song: How Can I Keep From Singing - NYC Virtual Choir & Orchestra (5:51)(See lyrics below) <https://youtu.be/VLPP3XmYxXg>

My life flows on in endless song above earth's lamentation.
I hear the real, though far-off hymn that hails a new creation.

No storm can shake my inmost calm, while to that rock, I'm clinging
Since love prevails in heaven and earth, How can I keep from singing?

While though the tempest round me roars, I know the truth, it liveth.
And though the darkness round me close, songs in the night it giveth.

No storm can shake my inmost calm, while to that rock, I'm clinging
Since love prevails in heaven and earth, How can I keep from singing?

I lift my eyes. The cloud grows thin; I see the blue above it.
And day by day, this pathway smooths, since first I learned to love it.

No storm can shake my inmost calm, I hear the music ringing.
It sounds an echo in my soul. How can I keep from singing?

How Can I Keep from singing?
Keep Singing.
