Parking at UUCLV

All vehicles belonging to drivers attending UUCLV related will be parked in designated parking lanes in the church parking lot. No cars are permitted to park along the east wall of the lot, for safety reasons. Overflow parking will be directed to both sides of Clifford Avenue, just west of the church. Several handicapped parking sites will be available and marked near the main door and the back door.

Parking in the church parking lot is reserved for vehicles' operators who are attending a church-related function. Other vehicles are subject to be towed. Efforts will be made to place a violation tag on illegal vehicles as a warning. Repeated violations may result in towing away the vehicle.
