## Emergency/Crisis Response Plan

### Policy Statement

In the case of an emergency that requires the evacuation of the building, childcare workers will escort all children in their care out of the building by the closest exit.

All adults in the building will leave by the closest exit.

The Cellphone Tower on the north end of the UUCLV property will serve as a meeting place for all evacuees. Members and guests will be asked to wait there until everyone has been accounted for or until notified by emergency responders that it is safe to leave or return to the building.
